# MUSIC

## ENJOY YOUR PLAYLIST ON OUR SURROUND ROOF SPEAKERS

---

We have a set of 8 roof speakers covering all three zones, so bring along your pre-made Spotify playlist, and we'll get the party started!

We can play it loud enough to dance but not so loud that we can't hear you ordering drinks at the bar.

Unfortunately, we do not allow DJ's or live musicians

**“Everyone at Chi Chi's really cares and that's from the moment you meet them. We had a fantastic evening and the best time in an intimate and beautiful venue”**

Jess & Joe

# LAYOUT

**A SPACIOUS INTERIOR WITH  
MULTIPLE LAYOUT OPTIONS**

At Chi Chi's we can create a large open space for your standing guests to eat, drink and dance or create an event of two halves - the left side for dancing, the right side for sitting. If you're having a sit down dinner we will seamlessly remove the tables once everyone has eaten, to create an open dance floor.

# DECORATION

**WE'LL HELP YOU WITH THE SPECIAL  
TOUCHES INCLUDING FLOWERS FROM  
OUR IN-HOUSE FLORIST**

You are more than welcome to decorate the space as you wish, as long as it doesn't damage our property.

We also have our own in-house florist, the amazing Victoria at Rebel & Wild, responsible for all of our floral decorations and installations at Chi Chi's. If you'd like Victoria to quote for your wedding flowers just let us know.

Any decorations you bring must be taken home with you at the end of your event.

The one thing we ask is no confetti or confetti cannons.
